REPORT OF THE TRUSTEES OF CHILDRENS HOPE FOUNDATION

The trustees of Children's Hope Foundation have pleasure in presenting their report and financial statements for the year ended 31 March 2014.

Structure, Governance and Management

Governing Document

The organisation is a charitable company limited by guarantee, incorporated on 23rd December 1996, company number 03295669 and registered as a charity 28th January 1997, charity number 1060409. The company was established under a Memorandum of Association which established the objects and powers of the charitable company and is governed under its Articles of Association. In the event of the company being wound up, members are required to contribute an amount not exceeding £10.

Recruitment and Appointment of Management Committee

The directors of the company are also charity trustees for the purposes of charity law and under the company's Articles, are known as members of the Management Committee. Under the requirements of the Memorandum and Articles of Association, the members of the Management Committee are elected to serve for a period of three years after which they must be re-elected at the next Annual General Meeting. The Memorandum and Articles provides for a minimum of 3 and a maximum of 12 trustees and the board currently consists of 3 trustees who manage the business of Children's Hope Foundation

All members of the Management Committee give of their time voluntarily and received no benefits from the charity. Any expenses reclaimed from the charity are set out in note 5 to the accounts.

Mrs Seema Kumar retired by rotation and, being eligible, offered herself for reelection.

The trustees formally approved arrangements complying with the ICSA guide 'Recruitment, Appointment and Induction of Charity Trustees' and seek to recruit new trustee(s) for their experience, empathy and knowledge of the charity and to keep the skills and composition of the trustee body and succession planning under review. To assist in this, potential trustees are required to complete a skills audit. The trustees have also developed a code of conduct for trustees including formal statements of role and responsibilities and provision for trustee training. New trustees may be sought by open advertisement or through dialogue with major grant recipients as well as medical and educational institutions. The ultimate decision on selection is a matter for the trustees.

Trustee Induction and Training

On appointment, new trustees sign a model trustee declaration statement committing them to giving of their time and expertise. The induction process has been changed to follow the ICSA good practice guide with a formal induction programme for any newly appointed trustee, which includes; an initial meeting with the Chairman and trustees, followed by meetings with the Chief Executive on investments, the grant making process, powers and responsibilities of the trustee board and the sub-committees (when applicable). The welcome pack includes a brief history of the charity. Copies of the trustee board minutes, a copy of the last three years' annual reports and accounts, a copy of the Memorandum and Articles of Association and a copy of the Charity Commission's guidance 'The Essential Trustee: What You Need to Know' and 'Charities and Public Benefit'.

The charity intends in the coming year to investigate and, if appropriate, apply for membership of the Association of Charitable Foundations (ACF) which provides much helpful information on good practice, changes in the law affecting charities and acts as an authoritative lobby on behalf of charitable foundations with the government and regulators.

<u>Meetings</u>

The trustees meet on a quarterly basis at which they agree the broad strategy and areas of activity for the charity, including consideration of grant making, investment, reserves and risk management policies and performance. The day to day administration of grants and the processing and handling of applications prior to consideration by the board is delegated to the Chief Executive. Sadly, owing to the loss of 2 members of the Grants Advisory sub-committee, the board rely on their own experience when considering applications. However, it is anticipated that when suitable candidates are recruited, the Grants Advisory sub-committee will be re-established.

<u>Risk Management</u>

The Management Committee has conducted a review of the major risks to which the charity is exposed. A risk register has been established and is updated at least annually. Where appropriate, systems or procedures have been established to mitigate the risks the charity faces. Significant risks to funding have led to the development of a strategic plan which will allow for the continued diversification of funding and activities. Internal control risks are minimised by the implementation of procedures for the authorisation of all transactions and activities. Procedures are in place to ensure compliance with health and safety of staff, volunteers and visitors to the office.

Our Aims and Objectives

Purposes and Aims

Our charity's purposes as set out in the objects contained in the company's Memorandum of Association are to;

• Promote such charitable purpose (which expression shall mean such purposes as are charitable according to the laws of England and Wales) as the company shall decide for the benefit of children and young people suffering from a physical or mental disability and in particular but without limitation, the relief of sickness, the relief of poverty and the advancement of education.

The aim of our charity is to improve the quality of life, by the provision of equipment, facilities and grants, of children and young people affected by illness, disability or poverty, in a responsive and age appropriate manner and by responding in a practical way to the needs of the children hardest hit by their situation.

Ensuring our work delivers our aims

We review our aims, objectives and activities each year. This review looks at what we achieved and the outcomes of our work in the previous twelve months. The review looks at the success of each key activity and the benefits they have brought for those children and young people we are set up to help. The review also helps us to ensure our aims, objectives and activities remained focused on our stated purposes. In doing so, the trustees have referred to the guidance contained in the Charity Commission's general guidance on public benefit when reviewing our aims and objectives and in planning our future activities. In particular, the trustees consider how planned activities will contribute to the aims and objectives they have set.

How our activities deliver public benefit

All our charitable activities focus on our aims and objectives and are undertaken to further our charitable purposes for the public benefit and those we try to help are described below.

Who used and benefited from our activities

Our objects and funding limit the amount of help we can give, however during the year Children's Hope Foundation has continued to support individuals and institutions in 3 main areas, equipment, education and welfare.

Equipment

The charity has continued to support children with disability with the provision of equipment to help or improve their mobility and/or quality of life. As equipment is specific to a child's illness or disability, the types of equipment we have provided is very much similar to that in previous years including; pushchairs, buggies, motorised trikes and chairs for children with severe mobility issues. Once again this year we have seen an increase, albeit a small one, in the number of children to whom we have provided this equipment. Since first supplying a 'Second Skin Splinting Suit', we have this year provided two children with this vital equipment and another with a portable oxygen concentrator which enable the child to make trips away from home, for extended family visits or holidays and/or days out.

Education/Training

We have maintained our focus on the provision of computer equipment for children missing their education through illness or disability and again this year we have helped many children with computers and/or other computer equipment. A growing trend for children with a learning disability is for the provision of an IPad to assist in their education. The main advantage is size and portability and the number and quality of educational applications available for this platform. As is the case with all computer equipment any application for computers or ancillary equipment or IPads must be supported by the child's school as this helps us ensure that the equipment is both necessary and appropriate. Providing computing equipment to community groups/clubs ensures that many children benefit from the opportunities which provides both for learning and leisure activities. Such activity helps those children without access, other than at school, develop their social skills and improve their life opportunities. The computer loan project continues and in the coming year a decision will be made as to the overall effectiveness of the project and whether the equipment, now reaching the end of its useful life, will be replaced and the project extended.

The charity has again provided books and equipment for schools, mostly in the third world, enabling many hundreds of children to benefit immediately and which, in most cases, will continue to assist many more children well into the future. Educational visits have again helped more than 200 children enjoy extra-curricular activities, including a large group consisting of two full classes, along with their teachers and carers, who attended a pantomime in January. This help has ensured that in a number of cases, children who might otherwise have missed their school's trip have been able to accompany their school friends. We have continued to fund the provision of two teachers to help in the education of children in two areas of Tibet. We continue to support the education of a group of 10 children, adopted by us in 2011, in several areas and provinces of Africa and India, by financing their education costs for the remaining two years of their education. This funding is due to end in 2016.

During the year, we have, in conjunction with a local 'back to work' provider and several local schools established a training opportunity for young people giving them experience of the working environment whilst also equipping them with the vital skills to then move into the work place. The scheme has been particularly successful and as a result we have been able to offer full employment to two of the candidates who underwent the work/training experience. Having established this project during 2013/14, the trustees intend to continue this for the coming year.

Welfare

As in previous years, assistance has been mainly for household items or for holidays/days out. Many children with certain disabilities have reason to require very frequent change of clothes and bedding. Whilst this may seem to be a family problem, it does place a huge burden on families, particularly where they are unable to finance such a huge expenditure. We understand this need and will help as much as possible to reduce the burden and the strain on the family. In the past year the charity has been able to help many children enduring extreme circumstances.

Our holiday caravan continues to be a huge success having been booked throughout all of the school holidays during 2014. In addition, with the permission of the child's school, many families enjoyed both one week and long weekend breaks at the caravan. Based at Camber Sands, near Rye in East Sussex, families have been able to enjoy seaside holidays and breaks from their everyday routine. Reports from the families show the tremendous beneficial effect this has had on both the children and the entire family. Indications for 2015 are that the caravan will be completely booked up for all the holiday periods and already applications are being considered for breaks during school term.

Because of its success, the trustees have decided to purchase at least one further caravan in another area of the UK and thus increase the availability of family holidays and short breaks. It is hoped that the purchase will be made in time for the summer holiday period. The provision of holidays and short breaks is seen as an important function of the charity and depending on available funds, the trustees hope to further grow this aspect of the charity's work in the coming years.

Reserves Policy

The trustees aim to maintain free reserves in unrestricted funds at a level which equates to between three and six months of unrestricted charitable expenditure. The trustees consider that this level will provide sufficient funds to respond to applications for grants and/or equipment and ensure that there are sufficient funds available to cover support and governance costs. Budgeted expenditure for 2014/15 is £200,000 and therefore the target is £50,000 to £100,000 in general funds. The reserves are needed to meet the working capital requirements of the charity and the trustees are confident that at this level they would be able to continue the current activities of the charity in the event of a significant drop in funding. The present level of reserves available to the charity of £80,000 is within the range necessary for the trustees to maintain their reserves policy, allowing also for the purchase of a second caravan.

Notwithstanding the above policy, the trustees will always, as a matter of priority, apply reserves for the benefit of children and young persons disadvantaged by illness, disability or poverty whilst maintaining an appropriate level of reserves at any given point in time.

Plans for the future

The Trustees intend to continue to provide support in a similar way to the recent past continuing the emphasis on three areas of giving but retaining flexibility as to the timing and scale of support. The trustees also intend to continue to raise funds, in support of its objectives, in the same manner in the future. However, in the coming year the trustees have decided to recruit a Trust/Corporate fundraiser to strengthen the funding mix. It is hoped that the recruitment process will begin in January 2015 with a view to appointing a suitably qualified candidate to the post by April 2015. Although the appointment may take some months before an impact is seen on incoming funds, the trustees are confident that the appointment will greatly improve the charity's incoming resources.

It is also hoped, in the coming twelve months to recruit a grants advisory committee, whose task will be to advise the board on the effective and timely disbursal of funds to beneficiaries. As necessary, the trustees will seek to recruit and appoint further sub-committees to examine and improve other aspects of the charity's day to day activities, e.g. fundraising, marketing, legal and financial.

As has previously been the case, the trustee's aim of spending funds in the local area in which they have been raised remains although this is entirely dependent on the areas from which beneficiaries come. During the year staff and volunteers have continued to follow the trustee's guidance and have established relationships with local authorities and retail outlets in order to engage them with the distribution of help for special needs children in their local area. In the coming year this will continue.

Trustee's Responsibilities in relation to the financial statements

The trustees are responsible for preparing the Trustees' Report and the financial statements in accordance with applicable law and United Kingdom accounting standards. The law applicable to charities in England and Wales requires trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources of the charity for that period. In preparing these financial statements, the trustees are required to:

Select suitable accounting policies and then apply them consistently;

Make judgements and estimates that are reasonable and prudent;

State whether applicable accounting standards and statements of recommended practice have been followed, subject to any departures disclosed and explained in the financial statements; and

Prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operational existence.

The Trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charity and to enable them to ensure that the financial statements comply with the Charities Act 1993 and the Charity (Accounts and Reports) regulations 2008. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities. The trustees are responsible for the maintenance and integrity of the charity and financial information included on the charity's website.

Independent Examiner

The Trustees intend to ask the existing auditors to undertake the independent examination of the charity in the following year.

REPORT OF THE TRUSTEES for the Year Ended 31 March 2014

The trustees who are also directors of the charity for the purposes of the Companies Act 2006, present their report with the financial statements of the charity for the year ended 31 March 2014. The trustees have adopted the provisions of the Statement of Recommended Practice (SORP) 'Accounting and Reporting by Charities' issued in March 2005.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

The charity is controlled by its governing document, a deed of trust, and constitutes a limited company, limited by guarantee, as defined by the Companies Act 2006.

Recruitment and appointment of new trustees

In order to ensure a strong mix of skills on the board, new trustees would be recruited and appointed by the existing trustees. The chair of the trustees together with the Chief Executive are responsible for the induction of any new trustrees.

Related parties

None of trustees were paid any remuneration or expenses by the charity during the year. (2013 none)

Risk management

The trustees have a duty to identify and review the risks to which the charity is exposed and to ensure appropriate controls are in place to provide reasonable assurance against fraud and error.

OBJECTIVES AND ACTIVITIES

Objectives and aims

The Charity was established to provide equipment, facilities and grants for children who were disadvantaged by disability, illness or extreme circumstance and for the relief of poverty and advancement of education.

REPORT OF THE TRUSTEES for the Year Ended 31 March 2014

OBJECTIVES AND ACTIVITIES Analysis of Grants made to Institutions

Analysis of Grands made to institutions	Total Amount paid
Equipment	3355
Education	6100
Welfare	5500
Training and general	53950

Volunteers

The charity is supported by twelve volunteers in the area of fund raising who receive no remuneration. The value of this support is not included in these financial statements.

ACHIEVEMENT AND PERFORMANCE

Charitable activities

During the year the charity has continued to support individuals and institutions in three main areas, equipment, education and welfare. The charity will continue to focus on these area of activities in the future.

Fundraising activities

In the past year the charity's main funding has been from street collections as well as voluntary donations directly made to the charity. The charity holds several functions through out the year and also entered in to an agreement with a commercial participator which is expected to grow in the future years.

FINANCIAL REVIEW

Reserves policy

The trustees feel that sufficient reserves are now in place to safeguard the ongoing operation of the charity.

Principal funding sources

The charity continues to rely on street donations and voluntary donations as its main income.

Mr Paul Jorgensen - Trustee

I report on the accounts for the year ended 31 March 2014 set out on pages four to ten.

Respective responsibilities of trustees and examiner

The charity's trustees (who are also the directors for the purposes of company law) are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year (under Section 144(2) of the Charities Act 2011 (the 2011 Act)) and that an independent examination is required.

Having satisfied myself that the charity is not subject to audit under company law and is eligible for independent examination, it is my responsibility to:

- examine the accounts under Section 145 of the 2011 Act
- to follow the procedures laid down in the General Directions given by the Charity Commission (under Section 145(5)(b) of the 2011 Act); and
- to state whether particular matters have come to my attention.

Basis of the independent examiner's report

My examination was carried out in accordance with the General Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the statements below.

Independent examiner's statement

In connection with my examination, no matter has come to my attention:

- (1) which gives me reasonable cause to believe that, in any material respect, the requirements
 - to keep accounting records in accordance with Section 386 and 387 of the Companies Act 2006; and
 - to prepare accounts which accord with the accounting records, comply with the accounting requirements of Sections 394 and 395 of the Companies Act 2006 and with the methods and principles of the Statement of Recommended Practice: Accounting and Reporting by Charities

have not been met; or

(2) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

The notes form part of these financial statements

The charitable company is entitled to exemption from audit under Section 477 of the Companies Act 2006 for the year ended 31 March 2014.

The members have not required the charitable company to obtain an audit of its financial statements for the year ended 31 March 2014 in accordance with Section 476 of the Companies Act 2006.

The trustees acknowledge their responsibilities for

- (a) ensuring that the charitable company keeps accounting records that comply with Sections 386 and 387 of the Companies Act 2006 and
- (b) preparing financial statements which give a true and fair view of the state of affairs of the charitable company as at the end of each financial year and of its surplus or deficit for each financial year in accordance with the requirements of Sections 394 and 395 and which otherwise comply with the requirements of the Companies Act 2006 relating to financial statements, so far as applicable to the charitable company.

These financial statements have been prepared in accordance with the special provisions of Part 15 of the Companies Act 2006 relating to small charitable companies and with the Financial Reporting Standard for Smaller Entities (effective April 2008).

The financial statements were approved by the Board of Trustees on 13 December,2014 and were signed on its behalf by:

Mrs Seema Kumar - Trustee

.....

Mr Paul Jorgensen - Trustee

The notes form part of these financial statements

#### 1. ACCOUNTING POLICIES

#### Accounting convention

The financial statements have been prepared under the historical cost convention, with the exception of investments which are included at market value, and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008), the Companies Act 2006 and the requirements of the Statement of Recommended Practice, Accounting and Reporting by Charities.

#### Incoming resources

All incoming resources are included on the Statement of Financial Activities when the charity is legally entitled to the income and the amount can be quantified with reasonable accuracy.

#### **Resources expended**

Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources. Grants offered subject to conditions which have not been met at the year end date are noted as a commitment but not accrued as expenditure.

#### Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

| Plant and machinery   | - 25% on reducing balance |
|-----------------------|---------------------------|
| Fixtures and fittings | - 25% on reducing balance |
| Computer equipment    | - 25% on reducing balance |

#### Taxation

The charity is exempt from corporation tax on its charitable activities.

#### Fund accounting

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

Further explanation of the nature and purpose of each fund is included in the notes to the financial statements.

#### Hire purchase and leasing commitments

Rentals paid under operating leases are charged to the Statement of Financial Activities on a straight line basis over the period of the lease.
